

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. (Currently Amended) A method of controlling a combination washer dryer drier, comprising steps of:

inputting an operational command;

performing washing and rinsing steps according to the operational command;

simultaneously performing a dewatering step and a first drying step after completion of the watering and rinsing steps, wherein the first drying step includes circulating warm air; and

performing a second drying step after completion of the dewatering step.
2. (Currently Amended) The method as claimed in claim 1, wherein the first drying operation comprises:

driving a pump, a fan, a heater, and a drum motor ~~are driven during the first drying step~~.
3. (Currently Amended) The method as claimed in claim 1, wherein the second drying operation comprises:

driving a pump, a fan, a heater, a drum motor, and a supply valve ~~are driven during the second drying step~~.
4. (New) A method of washing clothes with a combination washer and dryer, the method comprising:

washing laundry in the combination washer and dryer;

rinsing the laundry;

dewatering the laundry;

performing a first drying operation where warm air is circulated during the first drying operation, wherein the dewatering operation and the first drying operation are simultaneously performed; and

performing a second drying step after the dewatering and first drying operations.

5. (New) The method as claimed in claim 4, wherein the first drying operation comprises:

driving a pump, a fan, a heater, and a drum motor.

6. (New) The method as claimed in claim 4, wherein the second drying operation comprises:

driving a pump, a fan, a heater, a drum motor, and a supply valve.
